- You must provide the reservations staff with the address of your grocer or food bank;
- You must provide RTD the scheduled date and pickup time;
- RTD drivers cannot step inside your home. If your front door is not visible from the curb, please provide your contact phone number so that RTD can call you when the driver has arrived;

- Please note the scheduled time provided to you when your grocery delivery is scheduled. RTD cannot leave groceries on the front door of an unattended address.
