The Community Resource Forum is held the first Friday of each month. We encourage you to bring information about your organization for our resource tables and please be sure to bring your business cards for networking.

As part of the Exempla Saint Joseph Hospital Heritage Project construction, where we are building a brand-new, state of the art hospital opening at the end of 2014, *Lafayette Street is closed at 18th Avenue*. This will change the way you enter Saint Joseph Hospital through the Russell Pavilion.

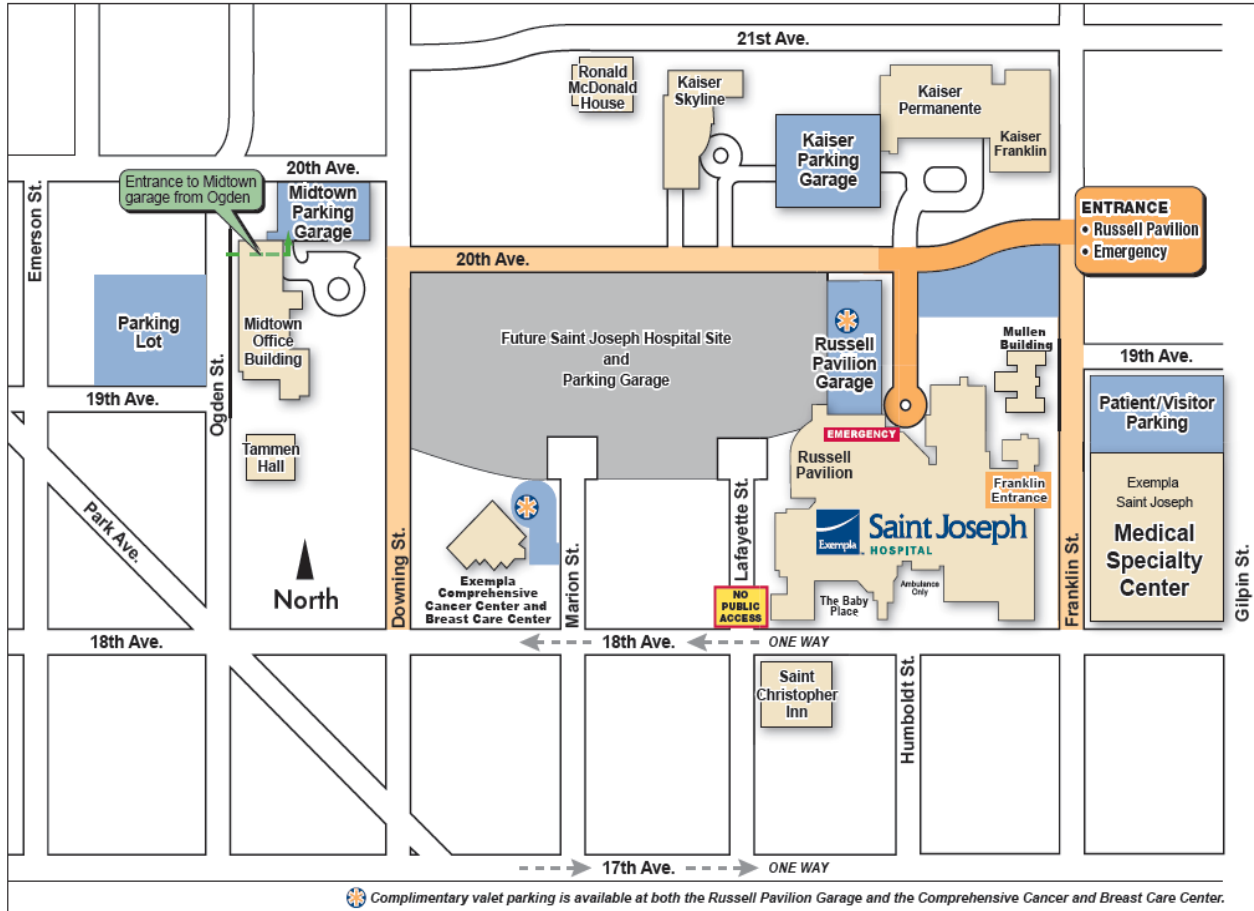

***To access to Russell Pavilion and Russell Pavilion Parking Garage, use the Russell Pavilion/Emergency Entrance just west of Franklin Street on 20th Avenue (Please see map below).**

Watch for the **green** entrance banners and **red** valet parking signage directing you to the Russell Pavilion parking. Complimentary valet and self parking are available at the Russell Pavilion/Emergency entrance. 2-hour parking is also available on the surrounding streets.

For more information, please call my office at (303) 837-7095
